

Happy Holidays from the CCGSD!

2020 was a year that no one expected or hoped to experience. People across the globe endured many hardships, and our work to make our communities safer places has been more difficult than ever before.

Despite these hardships, 2020 was a year of immense growth and innovation for the CCGSD. We'd like to thank you once again for supporting us through the numerous changes that the CCGSD has undergone in 2020 and even prior. We would not have been able to take strides towards organizational growth without help from our educators, students, donors, volunteers, organizational and community partners, and community members. We are and always will be a community.

As we close this year, we'd like to remind everyone that our office will be closed between December 21st and January 1st inclusive. We're very excited to come together again on January 4th for what we hope to be an even better year!
