TEAM EDUCATION REACHED OVER 1,400 STUDENTS!

CCGSD's Education Program had a busy, but very successful month. Education Coordinator, Eliot Newton, and Ontario Forums Coordinator, Ahmed Abdallah, surpassed 600 students to attend workshops in February, as well as 1,400 students this school year!

The CCGSD team took on 38 workshops in 20 working days, reaching schools in Ontario and Quebec. Students ranged from as young as kindergarten to high school age, and our staff gained valuable experience educating online to a variety of ages and experience levels.

Interested in booking a workshop for your classroom? We offer hour-long sessions to schools *virtually* across Canada. Email Eliot Newton or visit our webpage to book a session.

We hope that everyone is staying safe, healthy, and responsible during these times of uncertainty.
